Red Ribbon Week

By *pip-pn-events*
Created *Oct 1 2010 - 9:32am*
Date: October 29, 2010
All Day Event: No

The City of Longview Partners in Prevention will be participating in the 20th national Red Ribbon Week campaign October 25th-29th, 2010. Join with our community and the nation to show your support for a drug-free America.

During this time, our community partnership will join with other communities all over the country in demonstrating our commitment to a drug-free America.

This year we will continue to reflect our ongoing dedication to help our kids grow up strong, healthy and resilient. It is good to see increasing numbers of Longview businesses, schools, churches, service agencies, and neighborhoods joining our community partnership in holding out high expectations, not only for our youth, but for ourselves as well. The behaviors of a community's youth reflect the behaviors of the adults around them. Your participation in Red Ribbon Week activities makes a statement about your expectations for your own home and workplace - that they be safe and drug-free!
